Dear Colleagues

For your awareness and as anticipated the Eljamel Inquiry has now issued a 'Do Not Destroy Notice'. This is attached to this email.

We are developing a Vital Sign to advise the whole organisation regarding the Do Not Destroy Notice to ensure whole organisational coverage and compliance.

Please can you now ensure that no documents, files, emails and electronic messages relevant to the Eljamel Inquiry are destroyed. This must remain in place until any further instruction is used.

Thank you for your cooperation with this.

Kind regards Margaret
