Dear Professor Connell

SUSPENSION FROM DUTY PROFESSOR ELJAMEL

Following a review report commissioned by the Royal College of Surgeons in regard to Professor Eljamel's clinical knowledge, technical skills and judgement as well as his interpersonal skills a decision was made to suspend him from duties with NHS Tayside on 10 December 2013. In addition Professor Eljamel has been referred to the GMC. The outcome of that referral is pending.

Subsequent to the decision to suspend and prior to arrangements being made to proceed with an internal investigation Professor Eljamel submitted an application for early retirement and notified NHS Tayside of his intention to leave the service of this Organisation effective from 31 May 2014 and consequently a decision has been made not to pursue the internal investigation.

I hope that the above provides sufficient information in regard to Professor Eljamel's honorary contract status with the University of Dundee. Should you require any further information please do not hesitate to contact Lorraine Fraser, HR Business Lead on CAT C ext CAT C or

Yours sincerely
