John

Apologies - an oversight on our part.

Will ensure formal notification in usual way.

Dear Andy and Alan

I am aware that the Trust has suspended Sam Eljamel pending an inquiry into his clinical practice; our own HR officers have queried whether we have had formal notification of this, as he does hold an honorary contract and we should ensure that our processes are aligned.

It may be that this has occurred, but I cannot recall seeing any information on this

Kind regards

John
